Admission Policy Consultation 2028–2029

In accordance with the School Admissions Code, Signhills Academy is required to consult on its admission arrangements at least once every seven years. We are therefore publishing our current admission policy for a period of statutory consultation from 23/11/2026 to 7/01/2027.

No changes are proposed. The existing policy is intended to remain in place for the 2028–2029 academic year and beyond, until such time as a further consultation is required or a change to the policy is proposed.

A copy of the admission policy can be viewed below.

We welcome comments from parents, carers and other interested parties during the consultation period. If you wish to submit any comments for consideration, please do so by **7/01/2027** using one of the following:
