

Academic Year: 2022/2023	Funding Breakdown £16,000 + £10 per child (children) Total Funding £19,560			
PE and Sport Premium Key Outcome Indicator	Actions to Achieve	Actual Funding	Evidence and Impact	Sustainability/ Next Steps
1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles	Structure play at break times supervised by play leaders including sports dinner clubs.	£47.60	Sports Leaders bibs purchased to highlight our sports leaders on the playground.	Continue to provide leadership opportunities for children including play leaders and sports leaders.
	Provide a variety of different activities during break times to encourage active play.	£485.04	A variety of playground equipment including soft balls, skipping ropes and playtime equipment used for active play. Play Leaders and TAs supervised active play throughout the year.	Engage dinner time supervise in leading a wider variety of play time activities alongside play leaders.
	Establishing, extending or funding attendance of school sports clubs and holiday clubs or broadening the variety offered.	£2,084	Multi Sports clubs holiday clubs provided each half term. A total of 16 different sports clubs run throughout the academic year to provide a wide variety of opportunities in different sports. Pupil premium children provided with places on each club.	Continue to provide a wide variety of sports clubs. Engage more staff members to run clubs in order to even more variety when it comes to after school clubs. Target least active pupils for the next academic year to provide opportunities for those children to take part in physical activity in the school day.
	Raising the attainment of primary school swimming to	£765	Due to the current decline in swimmers achieving the recommended standards this year	Provide identified children who currently don't meet the required standard with small group sized top up sessions to encourage more

	ensure all children meet the national requirements.		extra top up sessions were provided for all years.	children to meet the required level by the time they are in year 6.
2. the profile of PE and sport being raised across the school as a tool for whole school improvement	Provide leadership opportunities to lead active play. Celebrate sporting success in assemblies. Embedding physical activity into the school day through encouraging active travel to and from school, active break times and holding active lessons and teaching.	*Leadership training was part of the SSP Membership	A total of 74 children from year 6 took part as a play leader/sports leader throughout the year either working with the infants or alongside staff at the juniors. During star of the week assemblies sporting teams shared their stories of competitions they had attended. Children took part in 'walk to school' week with class charts tracking success. SSP provided CPD sessions of Active Numeracy and Literacy with all year groups.	Continue to provide opportunities for children to be sports and play leaders throughout the year. Use SSP to provide leadership training at the start of the academic year. Continue to celebrate success of sporting teams via the blog and in assemblies. Make more use of the school sports noticed board. Year group leaders to share best practice of active lessons with respective year groups and how they can be used.
3. increased confidence, knowledge and skills of all staff in teaching PE and sport	Providing staff with professional development mentoring and resources to help them teach PE and Sport more effectively to all pupils.	£1,342.80	Staff took an active part in sports festivals with their classes which gained knowledge and confidence of different sports. Support offered to staff around delivery including CPD provided around dance/gymnastics sessions as well as active numeracy/literacy.	Continue to enter sports festivals for all children and staff to attend throughout the year. Liaise with staff about areas of low confidence and plan support and CPD around this.

4. broader experience of a range of sports and activities offered to all pupils	Introduce a new range of sporting activities and clubs to encourage more children to take part in physical activity. Partnering with other schools to run physical activity and sports clubs. Provide more and broadening the variety of extra-curricular physical activities in the 3pm-6pm window, delivered by the school or external sports providers.	£621.42 £884 £1,817.46	Boccia equipment purchased following on from a competition for SEND children. Archery arrows also purchased to allow more children access to a new after school club. Saturday morning football club was provided throughout the year with a support coach from Pivotal Skills. A wide variety of different after school sports clubs were delivered throughout the year. Equipment purchased to aid the delivery of a total 16 different sports after school clubs.	Include boccia as an after school club next year. Continue to look a opportunities for SEND children to take part as well as offering new and different sports. Continue to promote Saturday football sessions for those children not currently in teams outside of school. Promote the sessions to the new year 3s. Continue to provide a wide variety of sports clubs throughout the year. Get feedback from the children to which clubs they enjoy and offer opportunity for access for all children.
5. increased participation in competitive sport	Increasing and actively encouraging pupil's participation in school games. Organising more sports competitions and tournaments within school.	£1,650 SSP Membership	Membership to the SSP allowed access to a full variety of school games competitions of which children took part in throughout the year. Children took part in intra school competitions within their year group classes which all children took part in. These events took place at the end of each term and the children were put in ability	Carry on with SSP membership next year. At the start of the year go through the full list of events and identify a variety of competitions and events to attend. Look at a wider range of non-competitive events as well as the regular competitive events. Continue to provide intra school competition and look into different sports for each unit competition. Continue to assess children's ability

	Coordinating and entering more school competitions across the local area.	£1,605.30	teams so they all had a chance to achieve. Teams were entered in boys/girls football alongside the variety of SSP competitions. Children took part in a variety of competitions and festivals across 9 different sports.	to provide them with both mixed ability and ability teams. Continue to enter the football events as well as the variety of SSP events. Look at entering different competitions in new sports to give more children access to competitions. Tie the competitions in with after school clubs. More access to competition for year 3 and 4.
	Provide travel to competition and festivals	£1,535	Coach and taxi hire to take children to the competitions and festivals throughout the year.	Coach shared with New Waltham to split some of the coach price.
		£165	Medals and shields were purchased for sports day and an Aquathlon event hosted by the school.	This to continue for next year. Open the Aquathlon event up to all alliance schools to make the event bigger as well as build up links to schools within the new alliance.
Equipment top up and maintenance of sports equipment.	Equipment	£3,761.78	Top up equipment for a full variety of sports purchased which were all used for clubs/lessons throughout the year. New footballs were purchased in the summer term to replace those that had been stolen. This is so the football clubs in the summer term could continue.	A new secure container to be ordered next year to replace the damaged one from the break in.

	Bingham's Muga Service	£930	Astro turf serviced throughout the year to maintain the facility.	Carry out annual check on the sports equipment. Replace football and netball nets that have become damaged. Carry out annual service of the MUGA.
	Repair work on the Muga	£1,445	Parts of the astro turf surface had starting to come away from wear and tear so it was replaced at the end of the summer term.	

Total Spend: £19,139.40
